

...Is that a
screenshot of
my face?

A comic panel featuring two characters. On the left, a character with short, vibrant red hair and green eyes is shown from the chest up. They are wearing a white collared shirt under a black vest and are holding a stack of papers or a book. On the right, a close-up of another character's face is visible, showing brown hair and a focused expression. A speech bubble originates from the red-haired character, containing the text. The background is a soft, out-of-focus outdoor scene with trees and a bright light source.

Hey, Harue.
Have you seen
Rochelle? Do
you know if she's
still hanging up
posters?

Those two
though...

N-no?

...I think you
look handsome
in this picture.
Like a prince.

"Prince"?
Hardly.

It is!
You still didn't
delete that picture
you took from the
first time we stayed
on the roof!

B-but I don't
have any other
pictures of you!
And this one
looks nice!

trust me?

Of course
I do...

with you, but
at the same time,
I don't want to
take away what's
best for you...

Do you

It's my face,
so I'm telling
you to delete
it!

and lectured me, so
that's why I was
missing for a bit.

Oh, I see...
I'm surprised
you didn't wake
up at the same
time Rascoe
did though?

The truth is that
others don't perceive
me the same as you
do... A lot of
people aren't going
to approve of us
being together.

I want to be

I'm not
close to one, but...
Would you be
happy if I was
your "prince"?

Yeah, I'd
be really
happy.

A man with dark hair, wearing a white shirt and a dark vest, is looking towards a woman. The woman has blonde hair and is wearing a dark top. They are in a conversation. There are two speech bubbles between them. The first speech bubble, coming from the man, contains the text 'Is it alright if we keep our relationship a secret from everyone else?'. The second speech bubble, coming from the woman, contains the text 'Then...'.

Then...

Is it alright if
we keep our
relationship a
secret from
everyone else?

... Rochelle?

Y-yeah...

A-are you
sure you'd want
to be in that kind
of relationship
w-with me?

A close-up of a young girl with short, wavy pink hair. She has a slightly open mouth and a questioning expression, with her right hand raised near her face.

You're
ashamed of
me?

...but not for
that now
though.

Well, my phone
is on silent right
now, so I don't
think it would
have made a
difference--

Благодарим за внимание!

<ENCLOSURE>

... I think it's
for the better
that they don't
know. We'll have
to tell them when
the time is right.

I see...

If I could, I'd
make it clear
to everyone
that you're
mine.

But...
Things aren't
that simple.

We're alone

But actually...
I ended up
oversleeping too. I
used SC duties as an
excuse, so I was
pardonned for
being late.

Wow,
Such a
role model
student.

That's true...
I'm sorry you
got in trouble
earlier, though.

I feel like
I'm partially
responsible since
I made you stay
out so late with
me yesterday.

Hm?
What is
it?

I could have
used my cell
phone and texted
while I was looking
for you.

That would
have saved me
a lot of time...

From last time.

Rochel:
Actually, I
think I saw her
back at the SC
room not too
long ago!

Alrighty.
Let's turn

I think he left
the dorms a lot
earlier this morning
to get some SC work
done or something?

Ah! Right,
today's the
first day of club
recruiting!

H-hey!
Maybe your bad
habits are rubbing
off on me.

Pfft...
So now it's
my fault? At
least you got
away with it.

No! It's
my phone, so
I'm keeping
it!

Honestly...
Why are you
so troublesome?

And...
How about
if I were your
"boyfriend"?

—
You're really
not okay with it,
are you?

No, I'm fine.

I really
hope they
know what
they're
doing...

where

No, I'm fine...
I-I'm probably just
misunderstanding
things again...
It's okay.

Hurting you is
the last thing I'd
want... So
please...?

Is it
because...

A secret...
Y-yeah, sure...
That's okay.

Just for
now, at
least. I--

He was acting
a little differently
earlier, but I'm glad
he's back to his
regular self now.

I'm selfish,
remember?

However...
A lot of people
care about you.
And I feel that if
I get any closer
to you, it will
be difficult.

Difficult...
How so?

I got in trouble
for walking into
my first class
fifteen minutes
late.
